

SALCHA AREA COMMUNITY MEETING

Date: August 24, 2015

Time: 6:00 pm

The Alaska Railroad (ARRC) Tanana River Bridge and Levee are finished and will result in changes to flood hazard areas as mapped by FEMA in the Salcha area. The ARRC Letter of Map Revision (LOMR) has been submitted to FEMA and is currently within a 90 day comment period.

Salcha Residents, please attend the neighborhood meeting discussing pending Flood Insurance Rate Map changes and to view the results of the ARRC project and how it may affect your property, specifically in regards to FLOOD INSURANCE.
