

FNSB Comprehensive Plan Land Use Map Amendment Johnson Road, Salcha

The FNSB Community Planning Department is continuing the conversation from the August 13 community meeting about a possible amendment to the **Regional Comprehensive Plan Map**. This proposal could redesignate approximately eight square miles on Johnson Road (near the Alyeska Pump Station) as **Heavy Industrial**. Current land categories in the area include Open Space Natural Area, Preferred Agricultural Land and Preferred Forest Land. This is not a rezone and will not change the existing General Use (GU-1) zoning.
